

Join us Monday September 10, 2018 as SES kicks off
“Boosting Brain-power with Breakfast.”

The school meals program will be serving breakfast ***free of charge*** to all students enrolled in grades K-6 for the remainder of the school year. Breakfast provides students with the nourishment their bodies and minds need to start their day focused and ready to learn. Breakfast will be offered at both the Bumble-Bee Grab-n-Go kiosk in the front lobby and in the café. Students will be allowed, and encouraged, to take their “to go” meals and eat them in their classrooms, especially when time is a factor.
